DETAILED ACTION

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim Rejections - 35 USC § 102

2. **The rejection of claims 1-4, 9, 10, 27 and 28 under 35 USC 102(a) over Koza is maintained.**

Applicant's argument that the reference is applicants' own work published within one year of the filing of the present application is noted. However, applicant's argument is not persuasive for the following reason.

The author of the reference is one of the applicants of the present application, however, said author is not the only applicant of the present application. Therefore, the inventive entity of the reference differs from that of the present application and, thus, is considered "by others" as stated by 102(a).

For this reason and those given in Paper No. 4, the rejection of claims 1-4, 9, 10, 27 and 28 under 35 USC 102(a) over Koza is maintained.

3. **The rejection of claims 1-28 under 35 USC 103(a) over Koza is maintained.**

Applicant's argument and the examiner's response are as discussed above in #2.

Conclusion

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
